

How do I give feedback or voice my concerns?

We value your feedback. Making a complaint, giving a compliment, or offering a suggestion, can help improve our service. Your complaint will be dealt with in a confidential manner. We will seek your written consent to share any of this information with anyone else outside of the people directly involved unless there is immediate risk of harm to yourself or others requiring our action.

If you are still not satisfied, you can contact the external bodies in option 3 below. The Feedback and Complaints Officer can advise you if you are unsure which external agency to contact.
